

# BNC to HD 15

*make the right connection*

## Description

A simple adaptor that connects between a standard 5 way BNC cable and HD 15 connection.

This is housed in a sturdy metal housing. We were asked to come up with a solution for the BNC to Fan tail leads that due to their inevitable cable diameter to fit the HD 15, break after a period of time usually due to be pulled out of a cable trunk.

## Features

- Robust construction
- 5 BNC
- HD 15

## Specifications

### Signals:

Typical Video but not restricted  
(not more than 48V)  
All Grounds are common

### Connections:

5 x BNC and HD 15 Straight wired

### Dimensions mm (inch):

DxWxH: 81(3 3/10") x 64(2 1/2") x 40(1 6/10")

**Weight:** 130gm / 4oz

### Customer Supplied Parts:

All cables

**Power:** None

**3 year limited Factory Warranty**
